LOCATING AND RESPONDING TO A SOLICITATION

This guide is intended to provide you with instructions on locating current bidding opportunities and responding to solicitations.

There are two different ways to **Locate a Solicitation**. The most common is through [E-Marketplace](#); navigation instructions are included below. The second is through the [PA Supplier Portal](#); navigation instructions are included in the section following “Locating a Solicitation at E-Marketplace”.

Also included later in this guide are detailed instructions on how to **Respond to, Change or Delete a Solicitation Response**.

All bidding opportunities (with an estimated cost in excess of \$25,000) for materials and services for Commonwealth agencies are published at the Department of General Services’ [E-Marketplace](#) website. However, to view the entire solicitation, you may need to login to the [PA Supplier Portal](#). Your login and password are provided when supplier registration is completed.

LOCATING A SOLICITATION at E-MARKETPLACE

The screenshot shows the Pennsylvania eMarketplace portal. At the top, there is a navigation bar with the following links: "Supplier Service Center", "Bureau of Procurement", and "PA Treasury Contract Site". The main header area includes the "PA e Marketplace" logo, an "admin login" link, and an "e-mail" icon. Below the header, there is a "Welcome" message: "Welcome to the official site of the Pennsylvania eMarketplace portal. This is your one-stop shop for Bidding, Awards and other Contract information. Please explore our site and feel free to [contact us](#) with your questions and any suggestions you may have." To the right of the welcome message is a photograph of the Capital Dome in Harrisburg, Pa. Below the welcome message and photo, there are several blue buttons with white trash can icons, each representing a different procurement function: "Solicitations", "Solicitation Tabulations", "Awards", "Search Contracts", "Sole Source Procurement", "Emergency Procurement", "ITO", and "Upcoming Procurements". Below these buttons, there is a text prompt: "Hover over the buttons for details". At the bottom of the page, there are two more buttons: "pennsylvania STATE OF INDEPENDENCE" and "Help".

To locate current bidding opportunities, go to [E-Marketplace](#), your one-stop shop for all bidding and contract information. The main page includes the following menu options:

- **Solicitations** – Search and view current solicitations.
- **Solicitation Tabulations** – An summary of the suppliers and responses to previous solicitations. *These tabulations are for information only and do not constitute an official award.*
- **Awards** – A list of all recent awards in response to Solicitations.
- **Search Contracts** – Search the Commonwealth database for state contracts awarded by DGS and other agency-selected contracts.
- **Sole Source Procurements** – Includes all agency requests for sole source purchases of supplies and services.

All current advertised solicitations can be found on [E-Marketplace](#) under the **Solicitations** tab. To locate a solicitation, follow these steps:

- A. Select the **Solicitations** tab.
- B. Start bidding search by entering or selecting specific search criteria in one or more of the available fields, then click on “Search”.
